## I DRIVE SAFELY Affiliate Program

# Getting Started

Getting involved with the I DRIVE SAFELY (IDS) Affiliate Program is both easy and free! I Drive Safely's Affiliate Program is the first and most prominent program in the online traffic school industry. Our affiliate conversion and satisfaction is among the highest and our quality in courses and customer service is unmatched.

I DRIVE SAFELY offers three different options for our affiliate program. You can either choose to sign up for one of these or all of them, depending on the needs of your company. We offer each program in states all across the United States, providing an extraordinary opportunity for growth.

### **Become an Affiliate in 3 Easy Steps:**

1. Sign up at <http://www.idrivesafely.com/affiliate/affiliatehome.html>
2. Submit your IDS Vendor Agreement for approval.
3. Start selling!

If you have any additional questions or concerns you can request a company media kit or individual media kit inserts for each of the affiliate programs. They will be delivered within 24 hours to your e-mail address.

As you become part of the program, our Affiliate Manager will assist you with: setting up your account, optimizing your website and instruct you on important marketing techniques to increase your traffic and ultimately, increase conversion.

Unlike our competitors, we work very closely with our affiliates to ensure their progress and success. Our staff of dedicated and friendly individuals is here to answer any questions, respond to any concerns and assist you in building your affiliate account. We handle all administrative duties and provide you with links and ads to include in your webpage.

Sign up now and become part of I DRIVE SAFELY's quest to increase your profit!
